the name of mubarak i wakhani 1839 1903 a persian tajik mystic poet musician astronomer and ismaili religious scholar from badakhshan is hardly known in modern academic circles related to persian and ismaili studies despite his importance to ismaili esoteric thought in general and the ismaili tradition of the peoples of the pamir mountains in particular mubarak has received only scant attention from modern scholars one of the major reasons for mubarak s relative obscurity is probably the geographic location of his homeland and its socio economic political and intellectual environment there has been no serious scholarly research conducted on mubarak s life and works this book is the first introductory study on the subject and provides the first systematic presentation of the seminal islamic figure in the desire to establish an accurate biography of mubarak and to render his often confused ismaili sufi ideas as lucidly and coherently as possible this book by dr abdulmamad iloliev phd cambridge university of the institute of ismaili studies concentrates on assessing his life and thoughts in their historical and religious context it explores how far mubarak s works represent the indigenous pamiri perception of ismailism and where he stands in relation to general ismaili thought likewise through the study of the works of mubarak it seeks to explore the distinctive elements of pamiri ismailism which itself is an interesting but relatively neglected area in religio cultural studies of the minor nations within the diverse civilization of islam in general and the former soviet union in particular this is a must have resource for all scholars in islamic studies

the imam caliph al mu izz li din allah founder of cairo transformed the emergent fatimid state from a regional power of limited influence to an impressive mediterranean empire whose authority extended from the shores of the atlantic to the indian ocean his vision and dynamism contributed to the high watermark of fatimid success in establishing a shi i empire which contributed to the cultural and intellectual efflorescence of the muslim world the writings of the erudite 15th mamluk scholar taqi al din al maqrizi presented here for the first time in english document this fatimid triumph of the shi i and provide one of the most comprehensive accounts of the era in this text the only complete history of the fatimids written by a medieval sunni historian al maqrizi demonstrates a critical discernment regarding the value and limitations of his sources that is unusual among medieval muslim historians of the time book jacket

i b tauris in association with the institute of ismaili studies socrates famously said that the unexamined life is not worth living in keeping with this dictum taking ethics seriously means engaging with the real world where the human sense of right and wrong is daily tested at their best all faith traditions are challenged by such testing and if faith inspired ethics are thought to govern the whole of life their guiding values need constantly to be interpreted by the believer to achieve a practical result in the muslim tradition this is what the quran really amounts to a call to strive for belief with a social conscience for fourteen centuries muslim scholars have grappled with the implications of that call in matters of law social practice and theology and in our own time the quests for civil society and the rule of law have much to do with the response given to these ethical questions a companion to muslim ethics explores islam's core conception of the good shared with other great traditions leading experts examine issues such as gender equality nonviolence dispute resolution the environment health and finance the volume will appeal to all those interested in how reason faith and circumstance shape difficult moral choices in an increasingly globalised world the ebook editions of this book are available open access under a cc by nc nd 4 0 licence on bloomsburycollections com open access was funded by the institute of ismaili studies ltd
